

THE
CUT & CRAFT
STEAK & BEER

**“The Cut and Craft is oozing with style -
but has the substance to match”**

The Yorkshire Evening Post .

The Cut & Craft was inspired by a love of great steak, elegant dining and a passion for repurposing beautiful, historic buildings.

Our restaurants seamlessly blend elegance and glamour to create a unique and timeless dining experience for our guests. From our first restaurant in York’s historic St Sampson’s Square, to further new openings in Leeds and Manchester, we have become an in-demand destination for premium dining and special events and have found a way to recapture the sophistication and luxury of restaurants of the past.

Our menus revolve around the best ingredients we can find - be that 60 day aged Aberdeen Angus steaks, sustainable seafood from the British coast, seasonal fruit and vegetables, or locally-crafted drinks.
